

Frances Mary Rivera

September 17, 1946 - March 2, 2021

Frances Mary Rivera

Born to Angelina Mary Fasso, September 17, 1946, in Oakland CA. Passed, at the age of 74, on March 2, 2021.

Frances was preceded in death by her mother, Angelina M Fasso, husband, James A Lowe, and son, Robert E Cribbs Jr. She is survived by husband, Danny J Rivera, daughter, Sheila M Kosek and spouse John, daughter, Lisa M Aguilar, son, Dennis W Lowe and spouse Breane, 19 grandchildren and 18 great grandchildren.

Frances did not take anything in life for granted, as she knew all too well what it is like to have nothing. She loved to share her abundance, and when she had extra, she passed it along to anyone who was in need. She had an enormous heart, spending a lot of time caring for others. Along with volunteering at St Mary's Cathedral with religious education classes, she focused on finding ways to help the homeless. Their suffering really was her suffering, not helping only when it was convenient for her, but when she had something to give, she sought out ways to help. Frances found joy in dancing, when the music began, so did her feet, and her body soon followed. Always becoming the life of the party. She was not a complicated person, but simply honest, kind, loving and always giving. This does not even begin to describe the kind of person Frances was, however, she was most definitely selfless, very much loved and appreciated by not just her family but by those who were fortunate enough to know her.

“ It's been several months now since Frances passed away. I'm so sorry for such late condolences.
Len and I were and still are saddened by her death.
Len was her brother in law when she was married to his brother Robert.
I don't remember when I first met Frances, perhaps 20 years or so ago. Frances was always such a happy person when I saw or talked to her.
She would call and talk to Len at least once a year, just to catch up.
Much love to Shelia an Lisa and their families. So sorry we couldn't be at her service due to Len's health at the time. We did watch the video of her service so we were there in spirit.
I see on my calendar that her 75th birthday is on the 17th, just a week to the day before my 75th birthday. Wish she were here so we could celebrate our birthdays together.
Len and Erma Cribbs, Fresno CA.

“ Frances was my Mother-in-Law, I had been married to Jim Lowe's son. Although I hadn't met her in person I used to speak with her on the phone and she kept in touch even after Jim had passed. Always proud of her Grandson (James Lowe) and always interested in keeping in touch was a wonderful treat. I kick myself that we didn't have the time to meet as I know my Son missed out on meeting an incredibly caring and loving woman. I'm so sorry for Sheila, Lisa and Dennis along with Danny ❤️. You were gifted with a woman and Mother that was truly compassionate and who will be missed by everyone whose lives she graced.
Please don't hesitate to let me know if I can help! Much love to you all 🙏💔❤️
