Laura Ann Souza

Laura Ann Souza, 80, passed away at home on Wednesday, July 29, 2020 surrounded by her husband, children and nephew. She was born January 15, 1940 in Stigler, Oklahoma to Otto and Morene Durham. The family moved to Merced, California when she was young and she attended schools there. She married the love of her life, John Marks Souza on September 9, 1955.

Laura and John moved to Southern California in 1959 eventually landing at Boys Republic in the Chino Hills where they raised their growing family. They retired in 1995 to Woodlake, California. She lived a full life as a wonderful wife, mother and homemaker.

She was a fierce Mama Bear to her children and did whatever it took to keep her kids on the right path. Over the years she took many children into her home including brothers-in-law, nephews, grandchildren and friends, loving them all with the same fierce dedication she bestowed on her own children. She had a knack for not holding back her opinion and always told you the truth even if it wasn't what you wanted to hear. Most of all she loved her family and instilled in them strong values and faith that has served them well.

Laura will be sorely missed by her husband of nearly 65 years John Souza; daughters Rhonda Souza, Wendy Manning (John), Celeste Souza; sons John Souza Jr. and Jared Souza (Rachel); nineteen grandchildren; seventeen great-grandchildren; and one great-great-grandson; her brother Jim Durham (Carmen) and sister Marilyn Mariscal (Joe); and her fur-babies Bentley and Baxter.

She was preceded in death by her parents Otto and Morene Durham and her beloved "Granny" Dora Durham.

All whom loved her dearly will never forget her tenacity, wit, charm, grace and undying love and caring for them.

Arrangements have been entrusted to Salser & Dillard Funeral Chapel and at the family's request will remain private. A Celebration of Life will be held when we can all gather safely.

“ I am so sorry to learn of this loss. I must have been 4 or 5 when I had my first memory of her. Our families went to church together. My mom and dad were the youth directors and we had close friendships with Rhonda, Wendy, Celeste, and John-John. I know that they spent a lot of time at our home and swimming in the pool. but I recall spending the night with Celeste at their home at Boys Republic in Chino. I always felt so safe around Laura. I loved her voice. I loved her smile. And even though I was still quite young, I feel like she had a sense of humor I definitely connected with. Just the way she would look at me when she said something, I saw that smile, and knew there was an unspoken communication. My mom and dad loved and enjoyed Laura. I remember my dad kidding her and that it always fell well on her own sense of humor. I am so sorry for your loss. I know there's no words to truly ease your grief. Please know you are loved and will be prayed for and thought of over the weeks and months that will quickly move on without her. You are all loved.
