“ We all loved Nalee so, and will always fondly remember her smile, her humor, and her work ethic. We have put a wreath with pink and white peonies on our entry wall into the entry way of one of the areas she most worked, and have lit a battery candle wrapped in tiny greenery at our nurses station that we will always keep lit as she will continue to shine her inner light onto the rest of us. God bless you, her family. You will be in our prayers for healing.

Fondly, the nurses/ deputies and other staff here at pre trial , Tulare Co Jail.

“ To Lee and family,

We are so sorry to hear of the loss of Nalee, she was such a beautiful person inside and out. When our son Chris married your sister/Aunt Susan, we had the privilege of meeting Nalee for the first time, she was so thoughtful and caring making us feel welcome right away; over the years when we would see her it was always the same... her kindness, grace and genuine care was always shown. She will always be with you in your children, as well as in the precious memories of good, family times. Our hearts and prayers go out to you and your family.
