

Rayland Jerome Elzy Jr.

October 14, 1995 - February 5, 2021

Rayland Jerome Elzy Jr also known as Moo was the eldest of four children. He was born to the union of Rayland Jerome Sr. and Kellie Nyree Elzy in Tucson, AZ on October 14, 1995. He was called home on February 5, 2021

Rayland Jr. received his education in the Tulare City Schools and graduated from Mission Oak High School in 2013.

On October 23, 2019, God blessed Rayland and Arlene Alexander with a precious son Rayland Jerome Elzy III who was the light of their life.

Rayland Jr. accepted Christ at an early age and was baptized at the First Baptist Church of Pixley, under the leadership of Reverend Nathaniel Hairston and youth Minister Reverend Ezekiel Alexander. He was president of the youth choir for two years and served on the Youth Usher Board.

For four years, Rayland Jr. was Zealous and committed to the United Parcel Service (UPS); he started his journey as a seasonal helper and worked his way up to a driver until God called him home to glory.

Rayland Was committed to his young family, his best friend and the love of his life, Arlene Alexander, and their son Rayland Jerome III also known as M.J. Rayland's greatest passion was, spending time with his son on his days off. He and MJ would play video games together, he would give MJ a fake controller and they would gaze into the TV until MJ realized his controller was not working.

Those who knew Rayland will remember him enjoying basketball, bowling, dancing, and family gatherings. During his family time, he was the dancing king. His family would join in to challenge the dance king only to be defeated. His legacy will live on in our hearts and minds of everyone he interacted with as well as those he reached but never met.

He is survived, by his loving son Rayland III (MJ); the love of his life Arlene Alexander; his father, Rayland Elzy Sr. of Visalia, CA; his mother Kellie Elzy of Tulare, CA; His sister, Kambrayia Elzy of South Shore, KY; his two Brothers, Rhemi and Ristian Elzy of Tulare CA; Also left to mourn his passing are his Grand-Parents, a host of aunts, uncles, cousins, and friends who will dearly miss him.

“ To Kellie & Rayland Sr. I'd like to dedicate this poem to my little cousin I wrote this in 2012 for another beautiful young life that was taken too soon. I pray for the strength of our entire family I only wish I had known my little cousin better but we are family so it is all love.
HEAVENS NEWEST ANGEL

A young Angel has knocked on Heavens door
 He was welcomed with Love and so much more
 The door was opened by Our Heavenly Father, he was told upon entering, welcome my beloved child here you will suffer no more come in my child welcome home
 The Lord said , my beloved child I brought you here because it was time for you to rest you have given this earthly world all your best
 Please don't worry about those you leave behind , I will take care of them for you because they are also mine
 I promise you will see them again when they have finished with what they must do
 But until then I will watch over them for you
 My beloved child at first they will be sad and will cry not understanding why
 I will comfort them as I did you
 I will get them through the rough times in the middle of the night
 I will hold them as they sleep
 Through their broken hearts
 I will hold them as they weep
 I will take of the pain that they think they cannot bare
 I will never leave or forsake them forever I will be there
 As time passes and it shell their tears will slowly diminish all of their fears will turn and two loving smiles but it will take a while
 But for now my newest young angel take your place by my side

You have a new address HEAVEN is where you reside

“ He was Moo too me (mother) & will always be. Moo was calm and quiet as a baby, he did love Space Jam he would tell his granny (Gertie) to play again everyday, he did love basketball as he grew up he tried all sports, T-ball, flag football, basketball even tired to be Evel Knievel at 4 years old and that didn't end well he knocked out his front teeth. He was full of life & love. He will truly be missed but never forgotten . We love you Moo

“ Living in Tucson Az. In the 90's a few houses down from Rayland Kellie and RJII was so much fun I got to spend time enjoying videos with my nephew. We'd watch his all time favorite movie "Space Jam" his favorite basketball player was Michael Jordan. He'd mimic how Michael Jordan dunked the basketball. He had a fisher price basketball goal. He was serious about basketball. That was a dream that was shattered by a knee injury. But he played anyway with his favorite sister. Well I'll stop here that was just 1 of so so many memories of my handsome angel. Your memory will forever be in my
