

Adel Basskal Freij

December 20, 1957 - January 31, 2019

Our beloved father and brother, Adel Basskal Freij, was born in Lebanon on December 20, 1957. With great sorrow, he went for eternal rest on Thursday, January 31, 2019 at Kaweah Delta Hospital in Visalia, California while surrounded by family members and friends saying their last goodbyes with broken hearts.

Adel's funeral services and reception will take place on February 9th 2019 at 1 PM at St. Mary's Catholic Church located at, 608 N. Church St, Visalia, CA 93291. Respecting his wish to be buried beside his late and loving mother, Samearah Jiryas Shami, who sadly passed away on January 2, 2019, he will be flown afterwards to Seattle, WA, where both of them will be united to rest in eternal peace. Adel's humorous spirit, love for life, and vigor will remain alive among us and will continue to run through his three living sons: Pascal, Reda, and Hani. Adel was also blessed with three loving and caring siblings Suzanne Farraj, Hiam Malik, and Issa Freij.

In 1986, Adel, his former wife Lena, his mother, and brother relocated from Lebanon to Jordan to establish a new life away from the civil war. While in Jordan, Adel and his wife were blessed with three sons and enjoyed their lives with extended family members. They worked hard to raise their children providing them with the best guidance, and quality education. In the year 2000, Adel moved to Seattle, WA where he started a new life and rebuilt his

career. As he advanced in his work, he moved to Yakima, WA and then to Visalia, California where he spent the last 15 years of his life. Adel was dedicated to his work, loved his coworkers, and found his calling at Pace International. He eventually bought a new house, and fully settled in Visalia as his permanent home.

Adel was full of life. He also had a beautiful sense of humor that made everyone feel connected and acquainted at the first encounter. He brought joy and laughter wherever he was. He always tried his best extending an arm of support, and help to others no matter whether they were friends, colleagues, neighbors, or family members. He made sure his friends and family knew that they could count on him. Living as an honorable man, he led a simple, peaceful, and humble life, holding his whole family in high regard.

Adel will surely be missed and remembered as a man of courage, inspiration, and love for life. He was a brother, a son, and a father to all. He is present among us on this day and will be for many more days and years to come. Now he is with his creator free of pain, and at peace, alongside his beloved mother and father.

May his soul Rest in Peace.

“ Adel was my brother, Sami's, best friend. He was a friend of our family as well. He came to my home a few times and he visited my mother on occasion. We all thought highly of him for the kind of person he was, caring, loving, generous and very down to earth. Our thoughts and prayers are with his sons and extended family. May He Rest In Peace. He will remain in our hearts forever.

“*Adel's passing was a great loss. Adel was my friend for 15 years, since he came to Visalia. I will miss the laughter and the fun we had together. We became the best of friends. We loved and trusted each other like brothers. He was a big part of my life, as we saw or spoke to each other nearly every day. We talked about growing old together, and taking cruises when we retired. He left me too soon. As Adel used to say "what shall we do? It is what it is".*

My heart goes out to his sons and siblings. I feel as they feel. In the days and years to come, there will be an empty place in my life and that of my family members, that Adel used to fill. We will miss every wonderful thing about him and remember him the rest of our lives with a smile. God rest his soul.

“ From Pace Int:

It is with heavy heart we need to share that on January 31, Adel from our Visalia site passed away.

Adel has worked with Pace for 16 years. He was extremely dedicated, with his heart and actions always reflecting the best interest of others and the company. Adel was very polite and kind to all. His co-workers meant so much to him. He referred to them as part of his family.

Adel started with Pace as an Accountant in January 2003. He had attended Haigazian University in Beirut in Business Administration. He came with years of experience as Chief Accountant and Assistant Controller, first working out of the Seattle office, then at the Wapato corporate office, and in May of 2005 he took the role of Warehouse/Office Manager. This has been his role ever since.

Adel's work ethic was top notch. He was complimented on his ability to consistently provide excellent customer service, negotiate to ensure the best possible price and a consistent team player. He was always ready to assist others on the team to achieve their goals. Adel sincerely cared about his teammates and wanted the best for them.

Adel's dedication and eternally positive attitude will remain in our hearts. He will be remembered with a smile as we recall a kind word, joke or anecdote from a life that he shared. Adel was a wise man, with the largest of hearts, that anyone who met him realized immediately. He had an uncanny ability to make a meaningful connection with everyone he met and imparted his wisdom on so many.

Adel will be missed by our Pace family. We were blessed to have the honor of working with him and fortunate to call him our friend.

Adel- I remember the first day I met you, you had come into the restaurant & instantly my family I connected with you. We enjoyed many years of great conversations and laughter. You would come in almost everyday & eventually it became a routine and everyone knew who you were and would be happy to see you. I'm very sad to know you will no longer be here, but also happy you are not in any pain. I hope heaven is ready for you & they have plenty of shawarma, tabouli, & hummus for you my friend!!

“ *Adel, it's not easy what you went through no matter how hard we tried to encourage you to fight back and cling to hope. I prayed over and over that your pain be minimized and ended up lighting several candles praying more and more that whatever in your best interest let it be. It's God's will to relieve you of your pain and so we accept that with deep sadness. May your soul Rest In Peace.*

“ *Baba, I spent the least amount of time with you, being the youngest one. With your sickness, our shared time even became shorter. Your early departure broke my heart, you went away before giving you the chance to see us grow, have families, and children who would have called you grandpa. I assure you that our children will get to know what a loving and caring father you were. I will cherish the memories I have of you.*

May your soul Rest In Peace.

“ *Baba,*

Our hearts are broken now that you are gone. We sincerely hoped and prayed while you were fighting for your life in the hospital, but sadly enough it was not meant to be. We talked a lot about our wishes and future plans to fulfill in the next few years, but it all seems like a dream now. The past week has been very hard to endure the pain of your loss, we miss you very much. I have been thinking of the moments we shared, how you used to teach me, guide me, help me, but I wanted more. We should have had more times together, longer days, and hours filled with moments of laughter and love that we can share. As you used to say, "Life is tough, but it is what it is."

May your soul Rest In Peace.

Love you dad,

Your Son,
