“ *Although I am devastated that the only father I knew is now gone, I am content that he is no longer in pain and is at peace. I miss him everyday and a piece of my heart will forevermore be void nonetheless. I will always strive to achieve great things because he always wanted us to live a better life. No amount of words can suffice the pain that is dwelling within, but knowing he is in a better place is what will keep me going one day at a time...* ”
