“ *To the Balderas family, my Visalia family....my sincerest condolences. I'm so happy you guys were able to come to Idaho and share Albie with all of us. He had a certain way of making you smile and laugh. Your Idaho family loves you all. God Bless you.*

“ Not a second goes by that I don't miss you little buddy. Not a minute goes by that I don't think of you. Not an hour goes by that I wish this wasn't real. Am I selfish to still have wanted more time with you? As the days go by and time keeps ticking I pray my heart will feel less pain. You were and continue to be super special to many, especially to me. I thought I was your biggest fan, until God opened my eyes, shined the light, and guided you to him. It was then that I realized you could be loved more than the love I have for you. A unique love only the chosen can feel. Wow, "I Can Only Imagine" little brother. Until my time on earth has stopped, I will continue to miss what God had only lent me,.... You! I love you Little Buddy. ❤️

“ Bubba would get so excited when he saw me and always ask for JJ. He would brighten our day every time we saw him and he always remembered who I was even if I wasn't with JJ. Camping won't be the same. Rest in Paradise Bubba. You are missed.
