

Alfonso Lee Powell

August 11, 1955 - May 18, 2023

Alfonso Lee Powell, father, son, brother, and grandpa passed away unexpectedly on May 18th, 2023 surrounded by his loving family at the age of 67. He was born in San Francisco, California on August 11th, 1955 to Virginia Herrera and Archie Powell.

He is preceded in death by his mother and father, sisters Glenda and Josephine, grandma Herrera, aunt Patsy and uncle Queenie, aunt Mabel and his niece Monica. He is survived by his daughter Felicia (Kevin) Thompson, grandchildren Emma Nichole and Isaiah, great grandson Nehemiah and soon arriving great granddaughter Neviah, and son Jeffrey (Corina) Hernandez. He also leaves behind sister Patricia, brothers Luther, Orlando, and Christopher, cousins Yvette and Lisa who he shared a special bond with, numerous nieces, nephews, and cousins.

Alfonso also known as Al, Big Al, attended Mt. Whitney High School. He worked many years in maintenance and management. His passion was fishing and camping and he enjoyed bringing any kids along to teach them the ropes of fishing. He loved cooking for the family, especially his famous fried chicken and chicken enchiladas. He also loved music, especially Reggae and Oldies. In the last 5 years, all he wanted was to spend time with his grandson Nehemiah. Any chance he had, he'd take him to school, to the park and fishing. Their favorite place to go was the Dollar Store. He absolutely adored

him. Al had a heart of gold and always made sure everyone was appreciated and loved. He never hesitated to lend a helping hand. He would drop anything and everything when anyone needed something, even when he wasn't feeling well. Al loved the Lord and he will be truly missed, but above all we know that he is at peace with our Heavenly Father.

Big Al, my dad, grandpa, papa, we love and miss you. Fly high with the angels. Always with us.

“ *Cunado,
You’ve left an empty void in our lives. You had a great impact on our family. Always there for us especially my mom. Till you entered the hospital you were still bringing mom food and cared a lot about her as she did you. Mehki is heartbroken because he lost a good Uncle who gave him a fishing pole and one day you were going to take him camping. We have a lot of good memories and Love you more than you’ll ever know. Pete loved you so much and looked forward to you dropping by once in awhile. Sasha remembers when you’d drop by to say “hello”. Juan enjoyed helping you out with your cars and then your motor home. I enjoyed your fried chicken cuz no one makes it better than you! The day you came home to Felicia’s I seen how happy and calm you were to be with your daughter and grandkids . She was very blessed to be able to care for you and have you home with her. That’s a memory she’ll cherish forever. You gave her life and she gave you life at a time you needed her most. What a blessing! We love and miss you. Thank you for being a big part of our family and all the memories we have together and forever.*

“ Uncle Al , well sir you cross over that finish line. there were so many great memories of you in my life growing up. I know for a fact that you, sir, has influenced my life more than what you think. our trips to San Francisco or the city like you used to call it gave me many experiences that help shape me to be the man that I'm today. For that I am truly thankful. You often said “ Love don't Love. nobody” I- always thought about that , and i'm my lifetime I felt them words safely to be true.but I think we were wrong your life radiated love for your family's and that when love I will be return in abundance, And All the great memories of my youth wouldn't have happen with out your Love. be assured that I love does love somebody.
