“ Grandpa jerry was so happy in his life with my grandma june even the doctors who have known my grandpa said his last couple of years he looked his happiest. Im so glad we were able to make him have that sweet grin and many precious memories with him. I miss you grandpa and love you forever. Christmas wasn't the same without you. And Christmas eve my coision joined you. She is probably having a blast with you.

“ Dear June. I was so saddened to learn of Jerry's passing. I loved you both from the first time we met and who can forget our Taco Bell experience. I always think of y'all when I pass a Taco Bell. Please take care of yourself and know you've got not only Peggie and Lorris here, but you've got a friend in me also. May god wrap his loving arms around you and give you peace. Love, Mary Wolfe, Lorris' sister.
