

Alicia Lauren Gillespie

February 2, 1999 - May 26, 2022

Alicia Lauren Gillespie, 23 years of age, passed away on Thursday of May 26th, 2022. Alicia was born February 2nd, 1999, in Denver, Colorado. She attended Conyer Elementary, Divisadero Middle School and graduated from Mt. Whitney High School in 2016. Alicia found joy in soccer, swimming, dancing, and creating art and music.

Alicia attended Clovis Community College before moving to Los Angeles, California to follow her dreams in business, modeling, and the music industry. Alicia loved the city-life, helping animals, spending time with her loved ones, and forming deep connections with anyone she came across.

Throughout her journey on earth, Alicia's mind was always onto something new because she had so many goals involving her future. She was a social butterfly and made her friends and family feel incredibly loved. Anyone who knew Alicia could feel her soul's beautiful energy. Alicia had a heart of gold and always poured her heart and soul into never giving up.

Alicia is survived by her dad, Kevin, mom, Jeni, big sister, Brittany, little sister, Summer, stepdad, Ryan, and Grandparents, Barbara and Clyde, Sally and Ernie.

In lieu of flowers, we think Alicia would prefer a donation to one of the

following foundations: The Humane Society or a Song for Charlie. Alicia's love for animals was incredibly deep; she spent much time volunteering at the SPCA. Alicia was also very passionate about helping others suffering from addiction and was planning to get involved in the field of addiction rehabilitation. Alicia was all about love, which is what made her soul so Divine and is one of a million reasons why she will be so dearly missed. The foundations' details are listed below:

“ *Gillespie Family,
I can relate to your loss and I know there are no words that will relieve or comfort you that anyone can say. But I do know the One Comforter, Jesus Christ, who was also Alicia's source of Comfort. I have no doubt whatsoever that she is in heaven with Him now enjoying eternal life, free from all the troubles of this world. That is our ultimate goal, here in our time on earth: to live life to the fullest, to experience highs and lows, and to submit our hearts to Him, so that one sweet day we can leave this world and be free. -Amanda Merriott*

“ My name is John, my wife Maria and I are the owners of a boba shop. We're a small mom-and-pop store, so we remember all of our customers and value the friendships we made along the way. When we first opened, we were scared but Alicia welcomed us in and was one of our first customers, we even jokingly named her Blue Honey Girl after her favorite drink she would always order.

Alicia was an amazing person, I will always remember her beautiful smile, the brightness she always brought into the room, the love she had for her dog and family, and the many laughs and life stories we shared.

She brought so much joy to so many people, especially someone like me whose heart is clouded. I will continue to keep her, Brittany, and her family in my thoughts and prayers.

“ You are so loved Alicia !!! You will be cherished in memories we shared together . I love you so much! You will be forever missed. We had such a great time in Sequoia national park just three weeks ago. You were feeding a deer grapes out of your hand and you didn't even have one, you gave it all to the starved deer. We saw several waterfalls, walked down cliffs and crossed rivers and bridges. After we went to 7-11 to get slurpees and pizza to go watch the rawhide fireworks at the skate park. All we did was laugh that day, making fun of every little thing. We felt like we were in Jurassic park in Aaron's jeep driving through the park. You were a star , gave so much light and brightness to everyone's day with kindness, smiles and laughter to anyone you met and knew. I know I will see you again one day.
