“*Alicia Kinslow is my sister's biological aunt. Alicia's former sister-in-law is my mother. I felt a calling to reconnect my sister with Alicia 20 years ago. The Lord led me every step of the way for this connection and a wonderful reunion took place with this amazing Christian woman. My family is very blessed to have met Alicia and have the time to meet up several times. I know my sister and her family were very happy to have a relationship with her loving and kind aunt for as long as they did. I am so thankful for Jesus Christ, who was the focus of Alicia Kinslow and for her inspiration to others!*”

“*Mrs. K. will be sorely missed. From her love and attention to the children of the neighborhood, to her music, photography, and church, she is remembered in our hearts. For me, I remember her taking me for bike rides when I was small. The special Halloween treats she gave to "close neighbors". How she always supported whatever school or club function we were selling for. And all of the photos she took of myself and friends over the years. We love you Mrs. K.*”

“ To have someone that is there for you is a precious gift. I was blessed to have her support and encouragement for my entire life both at church and outside of that. You will be greatly missed Mrs. "K" but I know you are with our Lord that you loved and served your entire life and I'm sure you have now heard the words, "well done".

And to her family, my thoughts and prayers are with you. Thank you for sharing her with us.
