“ I had the great honor and privilege to know Alissa as a friend and as an amazing employee. Alissa's example of humility, compassion and loyalty serves as an example for all of us who called her a friend. She brightened everyday at Sequoia Surgery Center with her smile, her laugh, her smirk or at times a roll of her eyes. She had the most amazing work ethic of anyone I have ever known. It didn't matter what I asked of her, she did it and did it well. Our work family is heartbroken and we will never be the same without her. I love you "Miss Lis"

“ Alyssa was a truly amazing young woman. Smart, funny and tough. She always had a good attitude and she was pleasure to have in class and as an FFA Officer. She raised sheep and always took pride in her work. I was very lucky to have been to have her in my class. My thoughts and prayers go out to her family and friends.
