“ Dearest Anzai Family,

We (my husband, Andrew, and parents, Dwight and Edna Ruminer), send our heart-felt condolences. When my father phoned me to tell me he had read about Mr. Anzai's passing at 92 years old I just could not believe where the years had gone. I couldn't believe he could be 92. My memories will always be of 40 years ago, and I can still see Mr. Anzai, and Mrs. Anzai, young, strong, and handsome. Debbie, I'm not sure you will remember this, but for some strange reason, I do. We were driving one day in your amazing car and I went to put down the visor, and you immediately let me know, "No, don't, my dad doesn't want me putting down the visor as it will wear it out!" We both knew we didn't want to go against what Debbie's dad said! Now, this version of the conversation stuck with me, and to this day I think of that conversation when I go to put down a car visor, "Remember, what Debbie's Dad said - you will wear it out!! So, as you see with this message, even though I may not see you, Debbie, and family, you are thought of, and please know I am praying for each one of you during this time.

With Deepest Sympathy,

Fredna Ruminer Van Dellen and Family
