“ Sweet Amanda. I've been visiting this page and your facebook page often, and have been thinking about you, Brandon and your babies so much since I've heard. You were such an incredible woman; we all saw it. I will never forget your beauty, spirit or your graciousness. You were an integral part in my healing after Shiloh passed away, and that will never be forgotten. I hope you are holding your sweet Colton, and all of our angel babies, tightly. Sending love and prayers to your family.

“ I am still in shock my beautiful friend! You have meant so much to so many. Our group has a strong bond that even death can't break. Although, your death leaves a huge hole for us all. Your light will shine on forever within your babies and Brandon. We will all carry a piece of you with us because we have all been blessed with your love, support, and friendship. Thank you for being you! I know you haven't stopped holding on to Colton since you got to heaven. I can see all of our babies surrounding you and welcoming you. Just know we will all be there for Brandon and your kids like you have always been for us. Butterfly kisses my friend!! ❤️❤️❤️❤️❤️❤️

“ Our darling Amanda. Your light and love, your joy and kindness can never be extinguished. We will treasure the many memories we created over the past 9 years and always speak your name with our children. We promise to also stay in contact with Brandon and your children and support them any way we can. Hold Colton tight in heaven and know that you touched and impacted so many lives here on earth and we will never be the same without you. Our angel Mom circle was so blessed to have your light among us. Our love, prayers and hearts are wrapped tightly around Brandon, Ryder and Bryn - and extended out to all those who love and miss you.
