“ *I remember was Amanda was about six years old and she rode Visalia City Coach with her mom and sister, and she always gave me a hug when she got on the bus.
God bless you Amanda, and may rest in peace in the presence of Jesus.*

“ You were always there for me no matter what time of day it was. We always went everywhere together, you were like a sister to me and I'm deeply going to miss you. No matter how many months we would go without talking and when we would talk again it's like there never was a break and it would were we left off. I remember when you found out you were pregnant with Melissa we walked to the 99cent store and bought the pregnancy test and you took the test at my house, I remember how scared and excited you were. I love you and you will always be in our hearts.
