

Anastasia Lynn "Stacie" Dingler

December 31, 1957 - May 1, 2020

ANASTASIA LYNN DINGLER was born December 31, 1957 at Castle Air Force Base in Merced CA. to Carol Serpa and John Dingler. She went home to be with the Lord, May 1, 2020.

We chose the name of Stacie as a nick name and rarely used her legal name. She was a very happy child and grew into a lovely lady. She loved Halloween, dressing up in costumes and especially Christmas for family gathering's and dinner at her parent's home.

After moving around several times in her childhood, the family finally returned to Visalia and she attended local schools and graduated from Mt. Whitney High School. She became a Home Health Care employee for Senior Independence and later became the owner, until her health became a problem and had to retire.

She married and had a son who was the love of her life. She devoted her time and energy to being the best mother. Her grandson, Vincent was also her pride and joy and made certain that his needs were met and thought he was so very smart. Stacie was devoted to her family and was always there for them.

She loved to decorate her home, changing wall hangings, making flower arrangements and would shop for the best items she could find to coordinate to her liking.

Stacie is survived by her son. Justin and grandson, Vincent Velasquez. Her mother Carol (Don) Serpa, her father John Dingler, Her Sisters Donna (Rick)

West and Debbie (Tom) Bryan and their families, as well as her estranged husband, Mario Velasquez

Stacie was preceded in death by her grandparents Pat and Evelyn Taylor, and her aunt Shirley Taylor.

Services are entrusted to Salser and Dillard Funeral Chapel. Burial will be private and a Celebration of life will be held at a future date.

We want to thank Kaweah Delta Hospital, Doctors and Nurses for the excellent care and compassion given to Stacie.

“ *Stacie was a remarkable woman. I came to know her when we hired her to take care of my mother. She did do with love and respect. When Mom needed 24/7 care Stacie and Mario offered to move in and be full time. She made Mom's final years happy and comfortable. They took her camping and treated her as one of their own family. I will forever be indebted to them. Stacie always dressed her up and did her hair and makeup with love. She became a dear friend and I will miss her. Heaven has a beautiful angel who will be blessing all with her sweet ways.*
