“ We all grew up together and my big brother was part of the (what I called *The Crew*) back in the day- Andy, LittleJohn O'Connor, Eric Smith, Josh Hartsell & many more. Andy always referred to me as *Grape* in high school bc of my hair or he'd always manage to scare me lol. My locker was right around the wall from his & it never failed, everytime I'd come around the corner he'd jump out screaming and grab me and spin me around hahaha. My heart is extremely heavy and I give my condolences to his wife and son and his family. My prayers are with you all and I'm truly so sorry for your loss.
