“ I knew Angela bonds all through middle and high school .. When I used to run into Angela , she always had a smile and always a positive attitude.. I'm sorry for the lost and prayers to the family .. It's so hard to lose someone you knew for very long time I wasn't to close to her but I have to say she was one of the greatest person and lovely smile. Very beautiful , great mother.... God bless ... 🙏??😭❤️

“ We were so so close. One of my favorite memories is when our prom dates took us to the mall the day after prom. You and I ditched them and hid in different stores and thought it was funny watching them try to find us. We just had so much fun, no matter what we were doing. I admired you as a friend, a woman, and a Mom. You are gone but you will never be forgotten.
