

Angelica Ruth Chavez

August 3, 1989 - December 21, 2013

It is with much sorrow, that the family of Angelica Ruth Chavez announces her sudden passing on Saturday, December 21st, 2013 at the age of 24 years.

Angelica will be lovingly remembered by her father and mother, Gus and Irene Chavez, her brothers Anthony (Jacqueline), Adam, and Aaron; and by her favorite little girl in the world, niece Gracie

It's said that some people live more in 20 years than others live in 80. And that it's not the time that matters, it's the person. Angelica was one such example: She was always smiling, happy, and willing to help her friends. She was pursuing her dream in Long Beach. She was starting her surgical tech program next month.

Woven through the tapestry of her life were her loving family, countless friends, and her passion for singing.

To Angelica, singing was as easy as breathing, and just as vital. Angelica used her gift of song throughout her life to connect with people on a stage all her own; usually with a little carefree dancing to make her bonds that much stronger.

But now, the loss of Angelica leaves a bitter silence in our hearts, the last notes of her life, an echo for us to remember always.

We now take up our memories of Angelica, full of our history together. In our thoughts, Angelica will forever be in our hearts.

So please, take her story with you...and sing.

“ *Gus, Irene & Familia - I know words can not express the pain and sadness of your loss. I have a 25 year old daughter Cassandra and it really hits home. My mother Maggie just gave me the news. I'm 10 states away and a lot of time has gone by but, it feels like yesterday that we were all in high school. My prayers go out to you and your family at this difficult time. God Bless (Laura Martinez Anselmi)*

“ *Our hearts are heavy with sorrow and sympathy for you and your family.
We remember Angelica as the adorable little girl across the street. She always had a smile on her face and managed to put smiles on the faces of everyone she met.
You are in our thoughts and prayers.

“ Gus, I cannot even begin to imagine what you and your family are going through right now. I have had the loss of my parents and sibling and still mourn, but never a child. I pray that God carries you through this and gives you and your family the strength to move forward. It is Gods will even when we don't understand it and the joy of one day being together again will keep us strong. You are in my prayers big hug to you and your family. Love Maria (Patty) Madrigal
