Anita was born June 21, 1963 in Tulare, California. She always had a big smile on her face and when she walked into a room everyone looked, because she was a beam of light. She loved her family, God and turtles. She was artistic and loved expressing herself with art. She never gave up on people because she believed in them and saw the good in ones she loved; she had a big heart and endless love. That love was something rare and something everyone appreciated. She was part of the Sequoia High School graduating class of 1992 and went on to graduate from Beauty School. She was a diehard fan of the Raiders and Pepsi.
