“ *I was a friend of Ann Marie during High School and College. There was four of us (Glenna, Joy, Ann Marie, and myself) that made memories I will never forget: trips to the mall, going to the movies, riding in her yellow Vega downtown on a weekend. She was the most caring person I have ever met. I wish I had stayed in touch with her as we took different paths in our lives. To her family, I send my condolences and wanted to let you know she will be missed by a very dear friend. She will always have a special place in my heart.*

“ I have so many wonderful memories of Ann Marie. She was always smiling and laughing. We had some amazing fun times in high school and college. I am so sad we lost touch when we moved away from Santa Maria. I loved her very much she was a good friend!
