“ April was my neighbor and dear friend for many years. She was so good hearted and kind, thoughtful and extremely generous. She was an amazing baker and gave me many recipes that I still use. I was so sad when she moved to Visalia and sorry that I never got to see her enchanted little house. But, happy she could be near her family. She was very dedicated to her job, and always spoke of her amazing trips around the world. She had a happy life, but left us all too soon. My heart goes out to her family, and she will be so missed. Happy Birthday April and rest in peace

“ *I shared 2 cruises with April. Enjoyed her laughter, spirit, enjoyment of life. I especially loved the Christmas cookies she sent me!!*

The most memorable event was sharing the African Safari with her. It was such a memorable event; a trip of a lifetime.

We stayed in contact via email; I received her last email in January. It was so April, happy, funny, caring about her friends.

I will so miss her; my sympathy to her family. Jan Schane
