

## Araceli Mari Garcia

September 11, 2008 - July 17, 2022

Our Sweet Araceli "Celi" Garcia was born on September 11, 2008 to her Mother Anna Ruiz. Celi was the fourth child of six children. Celi enjoyed listening to music, dancing every chance she had, singing aloud at any time, and summer swimming.

If you knew Celi and got a glimpse into her life, you just might have had the privilege of hearing or seeing her performing one of the numerous songs she wrote. Song writing was a passion in her young life! Celi's aspiration in life was to become a successful song writer, singer and dancer. Celi has left behind a remembrance of herself in her eighteen legacy songs written by her for us to enjoy.

Our family will forever embrace Celi in our memories, her sweet personality and her unique voice. Celi's everlasting heart will be forever felt through her music.

I love you Celi
