“ *My Grandpa Johnny was the Best Grandpa and Great Grandpa Ever.... He was very giving and cared for everyone no matter what. He worked so hard all of his life and never complained about anything. My brother David and I were very close to my grandpa and I now have some peace in my broken heart, knowing that they are together and taking care of each other. I am so Blessed and thankful for the time I had with my grandpa and for All of the Memories he has given me. He will always have a very special place in my heart. I Love You Grandpa Johnny....*
