

Ashley Banuelos Cowdery

October 23, 1991 - October 27, 2021

Ashley Banuelos Cowdery, 30 of Visalia, California, died on Wednesday, October 27, 2021, in Visalia, California.

To describe Ashley is actually very simple. She was pure not complicated. She didn't try to be something she wasn't. She embodied a sense of innocence toward life that so many outgrow and lose. Ashley saw the beauty in the little things. She found and shared her joy in playing. Playing filled with laughter that was contagious because it was so innocent and from her heart.

To be around Ashley you could not help but to find yourself being pulled into a girl's world that was adventurous and free. She never let her illness stop her from embracing every bit of joy life had to offer. To feel the love of her family was one of her greatest treasures along with showing them how much she loved them in return. Ashley's life on this Earth was too short and yet the impact she had on us is more than 100 lifetimes of joy.
