

Ashley Brooke Greene

April 15, 2000 - February 16, 2024

Ashley Brooke Greene was officially adopted from Tulare County Adoptions on November 22nd, 2002, in Visalia, California by Clell Marker and Kimberly Marie Alviso Greene. She was two years old.

Ashley always loved animals. Over the years, she had several dogs and cats, and presently a dog named Koda. Like her dad, Ashley loved photography. As a young child, Ashley was a voracious reader and an avid writer; She wrote some great stories when she was younger, which her parents treasure, and she made straight A's in school.

Ashley was not just an indoor person. She loved the outdoors, and the ocean and lakes. She enjoyed working outside, pulling weeds with her dad, and spending time with him as well as playing outside and climbing trees with her brother, and all their neighborhood friends. She particularly loved collecting worms, snail shells (which she kept in her pockets), and frogs. Ashley loved to run and participated in track in elementary and junior high school. She participated in the Junior Olympics in Tulare County in the 6th grade. She also played soccer and basketball.

Cooking was a favorite thing to do and she watched cooking shows, often showing off her skills to her family. She loved and watched musicals or listened to and sang oldies with her mom.
