

Barbara Ambuul

October 27, 1937 - March 31, 2019

Barbara Ambuul was home, surrounded by her family, when the Lord called her to Heaven on Sunday, March 31, 2019. She left us too soon, at the young age of 81, after a bravely fought battle with cancer.

Barbara will be sorely missed by her husband of 54 years, Jack, and their four children, Dianne, Jim, Marlene (Remy), and Darrell (Diane). Her granddaughter, Adrianna, benefited from 10 years of her Oma's love and wisdom and was the light of Barbara's life.

Barbara is preceded by a sister in Holland and two brothers living in the US. She leaves behind a brother and two sisters in Holland. Her siblings, along with many nephews and nieces will miss the joy she brought with her presence. Family has always been important to her.

Barbara's friendship will be missed by all who have felt her positive influence during her 50 years of nursing, her volunteer work, and being a Prayer Warrior for her church.

Thank-you to all who were there for Barbara and her family with their time, prayer, and food. You are appreciated beyond measure.

Barbara built a strong foundation for her family and friends and though the builder is gone, that foundation, in our heart's home, will always stay strong and weather the storms.

Please join us for a Celebration of Life Service in memory of Barbara on Tuesday, April 9, 2019, at 11:30 AM, at Tulare Community Church, 1820 N. Gem St., Tulare, CA 93274.

“ *When my family was doing missionary work, she was one of the few people, who constantly supported us. She was always encouraging, always smiling (at least that is how I remember her).*

“ Barbara was such a kind soul. She befriended me and remained my friend for 19 years now. She encouraged me as she did so many others, and I knew I could always count on her prayers. She truly enjoyed praying for her family and her church family. She prayed for anyone who needed prayer. Yet, she was a humble woman. She gave all to our Lord Jesus, trusting him always. She will be greatly missed.

“ Barbara was one the first nurses I worked with after graduating from nursing school. She was a very good nurse and always organized the nurse's station and made the doctor's job easier. She taught me a lot many years ago. I loved her Dutch accent. God bless her family and may your memories bring comfort.
