“ *Barbara was the definition of a hard working, loving wife, mother and grand and great grand mother. She was always unassuming in any contact with us. Although we saw her seldom, especially in the last few years we always looked forward to a family update. I know Norman was anxious to see her again.* ”

“ *Although I didn't get to know you for very long, I loved visiting with you and hearing your stories about Gary and the family. I will miss you a lot. I know your nephew Gary will also. He has shared a great many fond memories of you with me.* ”
