

Beatrice Geraldine Haus

October 12, 1929 - December 15, 2017

Our beloved mother Beatrice G. Haus peacefully past away surrounded by her family December 15, 2017.

Born 10/12/1929 in Iowa, to Mary A. Pike (Merritt Pike) and Edwin Helmers. Daughter, mother, grandmother, great grandmother and friend to many. She is remembered for her grand sense of humor and love for the arts. Bea was a music major at Co-College, Iowa and loved to sing and play piano.

Transplanted to Myrtle Creek, Oregon and then to Visalia, in 1961, Moms focus was on raising her 4 sons and balancing her career as a Dispatcher at the Tulare County Sheriffs-Coroner Office, and the Visalia Police Department, showing all that knew mom her dedication and passion as a mother and public servant. She retired after 30 years of service behind the radio dispatching calls to the officers that protect and serve our community.

In her spare time, mom could be heard singing and acting on stage at the Ice House and Cabaret Theaters. Her passion for the arts also extended to oil painting and playing piano for local theater plays. Mom always had a song to sing and made our home sound like a music box. Movie sound tracks, Camelot, Cabaret, Carousel and the Sound of Music, were just a few of the music scores played on the old Penn Crest phonograph while she sang along. Bea is lovingly remembered by her 4 sons and daughters, Nicolas (Vicki), Michael (Vivian), Cynthia Alvarez, Christopher (Sally) and Matthew. Bea will also be fondly remembered by her 6 grandchildren, Sage (Hannah), Spencer (Catherine), Caleb, January, Graham (Gemma), Garland (Shannon), Lino and

her 6 great grandchildren.

Respecting our mother's wishes, a private memorial service for the immediate family will take place later.

“ Mom

It has been a little over a month since you left us. It seem much longer then that. Most of my quite time has been spent reflecting on how strong a person you were and how you would tell us how you raised for young boys into men without a father around. But I don't think you really understood just how strong you truly were as a mom, provider, protector. Every hour you sat behind the dispatch radio or cooking great meals for us showed me what type of person I wanted to be. I couldn't have asked for a greater person in my life to call my Mother.

Rest in Peace Mom, knowing you did right by your boys. God Loves You and We Will Always Love You.

We will hug again in Heaven.

“ *Bea and I worked together for many years at the Sheriff's Department. We were friends outside of work for many years but we lost contact when our careers went in different directions. I would see her every so often at different venues and we would catch up on what was going on in our lives. When we were much younger we always seem to get into trouble when we were together. She will be missed by everyone who knew her.*
