

Beatrice Mena

August 8, 1967 - March 6, 2021

We all knew her as "Bea". She was a kind, thoughtful, and loving person with a witty sense of humor. She easily made friends anywhere she went and spoke to anyone who would lend an ear.

Although she had no children of her own, she cared for and raised many through her babysitting. She loved all these children as if they were her own and even to the time of her passing she continued her passion of caring for a child.

She showed her love to her family by blessing us with her great cooking. She was a wife, sister, aunt, cousin and godmother but loved the role as everyone's "mother" figure. She was a special person to us all and our hearts now have a void which will never be filled.

She was our everything and will be greatly missed by all who had the privilege of being a part of her life.

Beatrice "Bea" Mena was born Aug. 8, 1967 in Exeter, CA and passed on Mar. 06, 2021. She is survived by her husband, a brother and sister, and other close family.
