“ *I remember when Beau was born, I was pretty excited to have a little brother and our dad was really excited to have a son after having 2 girls. He was blonde headed , had a face full of freckles and was ornery as the dickens. It made our Sunday visitation with dad a whole lot more fun because we got to play with Beau. Dad and Barb moved from So Cal. to Napa when Beau was about 5 or 6 I think and it was sad to see them leave. The last time I got to see Beau was when our dad passed away, and I flew in from NC., he was all grown up and looked just like our dad. I was living in North Carolina and we did not keep in touch very well, something I regret, but I always knew he was there. I know that he has 3 great kids that he obviously loved a great deal and they love him. I'm sorry we didn't keep in touch as well as we should have Beau, but I do love you little brother and will miss knowing that you are there. Rest in Peace.*

“ Beau and his parents, Bud & Barbara, entered our lives when they moved into a new home and became backfence neighbors in the Oak Ranch subdivision. Being the same age as our youngest son, Mike, a close relationship between the two families was immediately formed. Some of our fondest memories are of Beau walking down the top rail of their back fence and looking to see if Mike was in our backyard. All through grade school, junior high and Golden West HS, they did everything together. Sports and fishing were just part of the activities they enjoyed together.

For a number of years I coached AYSO soccer and both Beau and Mike were always on my teams. We did quite well and one year came very close to going to Pasadena to compete in the Southern California Championship, losing by one goal in the semi finals. Beau was a big part of the defense and could kick the ball a mile! He and Mike worked together like a well-oiled machine.

Another wonderful memory was taking Beau on the tough hike up to Crater Lake in the high mountains above Huntington Lake where he caught some beautiful trout. He was so tickled to have that experience.

Beau and Mike have remained very close in the years since. We lived away from Visalia for the better part of 30 years, but Beau was someone we oftentimes talked about fondly, and Mike kept us posted on his life and his devotion to his children who have gone on to be successful in their own lives.

Beau Bachtelle was quite a man and he made a difference in the lives of many who knew him. May he rest in peace knowing "he done good!"
