Bennie Pino Alvarado Sr.

Age 57 March 28, 1957-August 1, 2014

My father passed away August 1st, 2014 at the age of 57 due to a medical condition. He was born in Arizona raised in southern California and moved to Visalia in the 90's. He was a cement finisher by trade. He loved oldies and was an avid motorcycle enthusiast. He rode as a proud supporter of the Mongols MC. My father was a great and very respected family man who leaves behind his wife of over 30 years Joanne Alvarado, his son Bennie Jr. and daughter Doreen, along with seven grandchildren. He has numerous brothers and sisters, aunts, uncles, nephews, nieces and friends who also loved him and will miss him very much. The date for the funeral will be by personal invite only. P.S. this one is for you 'DAD', "Color him Father"
