

## Bernardino Cucharo Josol

November 16, 1938 - January 7, 2020

Bernardino Cucharo Josol Sr.

1938-2020

Bernardino C. Josol Sr. was summoned to his Lord and Savior on January 7, 2020. Besides his faith, his family was the center of his active, meaningful and fruitful life. He was born on the island of Bohol, Philippines, in particular, Tultugan, Calape. He spent most of his adult life in the province of Zamboanga del Norte on the Island of Mindanao. He was a very loving husband to his wife, Pilar and a very good provider, a very compassionate, very considerate father to his children. He did both fishing and farming as livelihood. He did gold prospecting too. Most of his life spent in the Villages of Nangca and Lalab where together with his wife, Pilar, they built a home on the bay looking out to the strait of the Island of Bohol and Siquijor. The last few years he spent near his daughter, Maricel, in Visalia, California where he continued his skills as a hard worker. Bernardino was survived by his faithful wife, Pilar with whom he spent (59) fifty nine years raising (8) eight children such as Maria Angelita (Marites) Reginaldo (Dodo), Cristino (Tinoy), Josefino (Kaying), Danilo (Dansoy), Maria Celia (Maricel/Palaga) Bernardino Jr. (Bayon) and Isagani (Gani). Life was hard but together they made sure that their children were clothed, fed, and educated. Today their eldest daughter and eldest among the children, Marites resides at Sparta, Illinois, while Maricel the youngest daughter and the sixth in rank resides in Visalia, California where she took care of her parents for quite some time and present.

She works as a nurse (RN) at Kaweah Delta. The other six siblings are all residing in the Philippines. They are having their own families. The youngest of the family is a priest, Fr. Isagani. He is the Rector of one of the Regional Major Seminaries in the Philippines. He once in a while comes to Visalia to visit his parents especially during his Christmas break and served the Catholic Church of Visalia during his visit. He was on the bedside of his dad when he passed away. Now that Bernardino is gone, he becomes a memory. The latter becomes the treasure of the family.
