“ *Berniece taught me so much when she called me to come to work with her at dr. wahlen's office in 1981. Berniece was a wonderful friend and will truly be missed but what she taught me will live on and I hope I can pass that onto others! Love you Berniece!*

“ I have so many memories of Berniece. Berniece came into my life about 15 years ago when she joined the Visalia Republican Women Federated and the Tulare County Republican Party were we had a shared passion for politics. I remember her hard work and dedication as President of VRWF when she lead our meetings or attended conferences and I always looked forward to seeing her and Larry at the CRP conventions and Lincoln Day dinners and many other fundraisers. She had the fire in her belly when it came to leading the fight to better our country not only for her family but future families to live in freedom in this beautiful country of ours. Berniece I will miss your beautiful smiling face and your many words of wisdom!
