

## Berry Keith Dunlap

November 13, 1959 - November 27, 2025

Berry Keith Dunlap, 66, of Visalia, California, passed away peacefully on November 26, 2025, after a courageous battle with cancer. Born on November 13, 1959, in Visalia, Berry lived a full and dedicated life centered around family, hard work, and a deep love for the outdoors.

At just 19, Berry joined the service and was stationed in Germany, where destiny introduced him to Marion Koenig, the woman who would become his lifelong partner. They were married in Visalia in 1982 and welcomed their beloved daughter, Deanna, seven years later. Together, the family shared countless adventures-rollerblading, exploring nature, and enjoying the simple moments that made life meaningful.

A skilled crane operator by trade, Berry was admired for his tireless work ethic and devotion to his family. His passions included hunting, gardening, music, and caring for his backyard aviary. He found joy in every sunrise and valued integrity in all he did.

Berry is survived by his wife, Marion Dunlap. He was preceded in death by his daughter, Deanna, and his parents, Clifford and Dorlene Dunlap. He will be remembered as a wonderful husband and father who often said, "A happy life is being married to a German."

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ You were an awesome neighbor to my family! There were so many nights with great conversations and lots of laughter. The kids say, “thanks for all the chocolate you gave us.” Rest in peace Berry. 💜
