“ *You came into my dads life after my mom passed. He was lonely and you filled that void. You made him smile and happy again until he had some health issues. Thank you for that time in his life. May you Rest In Peace..*

“ *Bertha we will miss you so very much. You were like a 2nd Mom to everyone and we loved you so very, very much. You gave your heart so freely, your time to listen and just be there. You were a Great woman with much knowledge, love and laughter. Your laughter made us all smile every time we talked to you. I don't know anyone even my friends all loved you, everyone who met you loved Bertha and always asked me how you were, that was what a Great impression you made on them.*

Not only did you make a great impression on people you touched the lives of every animal you came in contact with. You had a heart of gold for your animals. Cooking for them or stopping by Save Mor in Ivanhoe and getting them cooked chicken everyday, not to mention loaves of bread and canned dog and cat food. We had Ranch cats that never ate so good. Bengi was so big he was the biggest office cat I had ever seen at least 35-40 pounds and loved you and now you are together. We all love you so much Bertha RIP now and have no more pain. I know you are dancing and laughing now.
