“ I am so sorry for the loss of your Mom and Grandmother. Beth was my friend for the last 30 odd years. We met at Lake Kaweah during the "Houseboat Days" and have been friends ever since. Through the years no matter what the distance or how long it had been it seemed we would pick up were we left off. I moved out of the Visalia area in 2009 but have been in touch one way or another. I'm sorry that my last trip down to Visalia just this past May that I did not make the time to visit, but I will always hold dear our fun times together and the way Beth would make me laugh out loud! I'll miss you my friend, Rest in Peace.
