

## Betty Lou Armbruster

September 5, 1939 - February 6, 2025

Betty Armbruster sadly passed away on February 6, 2025 from a long illness with Alzheimer's. She was preceded in death by her husband Phillip Armbruster. He passed on August 11, 2024. They were married on May 29, 1957. There were truly put here for each other. Betty met Phillip in the 5th grade. He asked if he could walk her home and she said yes. They walked hand in hand for 67 years.

Betty and Phillip had four children; Phylis Weber, Ann Borba, Dennis Armbruster and Georgena Armbruster. Two son-in-laws Robert Weber and John Borba. Six grandchildren; Wesley McCarty (deceased), Johnny Borba, Derek Rodrigues, Kristy Maggard, Chelsea Wood and Audre Cardenas. Also 5 great grandchildren; Wyatt and Logan Maggard, Luke Borba, Presly Rodrigues and Javier Cardenas.

Betty passed away with her family around her. She is now at peace and with Phillip, her one true love.

Betty worked at Redwood High School as a cafeteria worker making bread. She really enjoyed working and also the ladies that she worked with. Betty also enjoyed going to antique stores. She liked to collect things and would spend hours looking.

But most of all Betty enjoyed her family. Just being around her kids and grandkids and the great grandkids. She loved having family gatherings. And she also enjoyed a good family poker game.

We will miss her but I know she is at peace and with Phillip. Until we meet again. We love you both. Go rest with God.
