“ Mike, Tyler, Jenny and family, When I first started working at Christ Lutheran, Betty was very helpful in showing me and telling me "how we do things here" and I have great memories of some of her stories. She was a wonderful co-worker for just a few years, but she was a mentor and friend for many years after that. She was always ready to go on a youth servant trip and my kids have some great memories of her being on those trips. She will be sorely missed here on earth, but the heavens will sure be brighter. My prayers will continue to be with your family.

MR

it has been a long time since I last saw Betty. She and Mike were in a card group with my parents when I was a kid. I will always remember her beautiful smile, laugh and generosity. May her beautiful soul Rest In Peace.

I was so sadden to hear about Betty. She truly was a wonderful friend. My favorite memory is when I was pregnant with my older son, Peter. My husband was at work and couldn't get away, so I called Betty to take me to the hospital. I don't know who was more nervous/scared, me or Betty. I am so sorry that I lost touch with her after I moved from Visalia.
