“ *It is with my most sincere heart I wish to send the entire Bryson family my condolences. The world has lost one of the classiest ladies I had the privilege of knowing. Mrs. Bryson had a strength of character and intelligence that set her above most everyone else. No, we didn't always see eye to eye but I never doubted where I stood with her because of her honesty and, even that, as I've grown older, I've learned is a refreshing quality that is not much seen anymore. I highly respected her for her opinions, her work ethic, her attention to detail, and her inward strength. I was much saddened to hear the news of Mrs. Bryson's passing. I pray, that in the time ahead, God's Holy Spirit would speak to, cover and hold her family, bringing comfort and peace. You will all be diligently in my prayers.*

*With much love and sincerest respects,
Bonnie Hyden, Derek Evan Bryson and family*
