

## Beverly Jane Beach

November 8, 1949 - April 28, 2021

On April 28, 2021, heaven gained another angel when Beverly Jane (Kalk) Beach received her wings and left us to be with the Lord.

Beverly was the youngest child born to Francis and Evelyn (Narrow) Kalk on November 8, 1949, in Watertown, New York. On April 7, 1966, Beverly married Thomas Beach, the love of her life with whom she spent 55 wonderful years. They lived in Watertown, New York, until 1975, when they moved to California and they raised their three children Tammy, Sherry, and Thomas Beach.

During her lifetime, Beverly loved camping at the coast with her family, traveling to her hometown in New York, and cooking for those she loved most. Family meant the world to Beverly, and she always had Dinner every Sunday at 2 pm to ensure that the family got together at least once a week. It should be said that cooking was not only a favorite pastime of Beverly's but also a true gift that many felt she had been blessed with. Beverly was also a true Disney fanatic and a strong lover of basset hounds.

Beverly leaves behind her Spouse Thomas E Beach, daughter Tammy (Beach) Barrios married to David Barrios, and son Thomas Beach married to Amber (Farris) Beach, son-in-law Erik Wasse, brothers Richard and James Kalk, and sister Judith Ann (Kalk) Pryor, as well as her grandchildren Michelle,

Breanna, and Ariel Barrios, Megan (Wasse) Jones married to Jared Jones, Steven Wasse married to Jessica Wasse, Bailey Beach married to Michael (Avila) Beach, and Dylan and Cooper Beach. Beverly also had a great-granddaughter, Kinsley Wasse, and many nieces and nephews.

Beverly was preceded in death by her parents Francis and Evelyn Kalk, brothers Lawrence and Gary Kalk, daughter Sherry (Beach) Wasse, granddaughter Brittany Lynn Barrios, brother-in-law Mark Pryor, and sisters-in-law Heidi and Louise Kalk.

Memorial services will be held 2:00 PM Friday, May 14th, 2021 at Salser & Dillard Funeral Chapel, 127 E. Caldwell Ave., Visalia.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ *I am so sorry to hear this! Beverly was such blessing to know. Growing up a few houses down were some of the best memories ever. You and Sherry will be forever missed and I will always keep you two not only in my thoughts and prayers but in my heart forever.*

“ *First off, I am deeply saddened by the passing of this amazing woman. Like so many others, I have fond memories of meals with Aunt Beverly, specifically the spaghetti and meatballs, in fact I made some last week in her memory! I didn't drain the fat off the beef because she wouldn't either! I even bought a big jar of pickles and plan to eat the whole dang jar!*

*I grew up 5,000 miles away from Aunt Beverly, but I don't think that made me know her any less. Any time we would visit, she may you feel like her most favorite person. I remember our surprise visit on Christmas Eve in 1988, she gave me an original Cabbage Patch Doll which I was so delighted to receive. Like others I remember being in total AWE of her movie closet! I also remember being in awe of Uncle Tom's DVD collection!!*

*Tommy, Tammy, Uncle Tom, Kimberly, Tiffany (Josef) and Aunt Jude, I was hoping to be there.... now I am regretting not coming. I wish I could hug your sadness away. I do believe she is with Jesus. This morning, on the morning of her funeral, I sat and listened to I Can Only Imagine by Mercy Me. It made me feel like I was with her. She is dancing with Jesus now. If you have not heard this song, give it a listen. Love you Kalk's, Beach's, Pryor's, Barrios's ,and Wasse's . God bless you all.*

“ It is amazing to realize how much impact a person like my mother in law had and still has in my every day life. The way we cook, the things we eat, the way we raise our kids, the way my kids raise their kids, the way and where we camp, the way we drive (maybe not), the things we collect, the dogs we own, the passion for family dinners etc. has all been passed on throughout our whole family and will always be remembered by the generations to come.

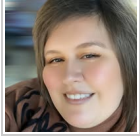

*I'm going to miss you Beverly, but it is also comforting to know that you'll be with Sherry*

“ How do you sum up 35 years of having the best grandma? My grandma was one of my best friends and biggest supporter. She was the one who introduced me to Disney and passed down her love of movies. I have many childhood memories at grandma's house playing board games, hand-clapping marathons, movie nights (which always included popcorn), and mornings of fried bread dough and homemade doughnuts we would make together. She was there for every surgery, graduation and always wanted to see my latest crochet projects. I'm going to miss our nightly calls and Facetime chats. Sunday dinners and holidays are going to be a lot dimmer without her there. I'm thankful for the time and memories I was able to have with her, but I will always wish there was more. Thank you, grandma, for all that you were. I know Brittany is excited to have you with her. Until we meet again, I love you bunches and bunches!

“ Aunt Bev was full of heart and loved her family. She always made me feel welcome when I visited her and Uncle Tom in CA. I loved her homemade meatballs and spaghetti sauce. I will always remember our trip to Disneyland 1986 and our camping at the beach in 2005. I will forever be thankful for her and thinking of me and my family and sending me cards and notes. Love you Aunt Bev!

“ I'll never forget family vacations as a kid camping in Morro Bay or traveling back to New York with Aunt Bev. Aunt Bev LOVED to travel to New York, she loved kids of all ages(especially babies) and was the sweetest to my kids when she got the opportunity to see them. Her dogs were her happy place, she loved Disney, movies (she practically had a video store in her home closet!), but most of all she loved her family and kept them close to her heart. She was a wonderful holiday hostess and took pride in serving up meals to our family for all occasions. She loved to entertain, play games, joke around with her family (especially her big sister) and was always that leading presence for this side of the family. Her smile and the light she shined on us was dimmed too soon and will be missed by us all. Thank you for being a wonderful Aunt to me and my sister over the years. You will forever be in our hearts and will always be missed.

*Sending love and hugs to Uncle Tom, the Barrios Family, Beach Family, Wasse Family and to all of our family and friends grieving this difficult loss.*

“ Aunt Bev was a one of a kind, true original. So much of my childhood memories are imbued with Aunt Bev and her family, including those many trips to the coast and back east. I'll always be thankful for her love of Basset Hounds as it was through her that I received one the greatest loves of my life, Quincy.

Thanks Aunt Bev for working so tirelessly to create holiday meals for all of us, year after year. I'm glad we were able to have this last Easter together. I'm still in awe that even though you couldn't have felt well, you managed to once again create a special holiday for us all. But that was you - you were a fighter who defied the odds so often, we thought you must have nine lives. I hope to one day have your fortitude and strength as well as your defiance when the odds were stacked against you. Give my father a kiss for me every day and please keep him and Sherry on their toes til the rest of us are able to be with you all again.

Love Always,  
Tiff

“ I have been blessed to have had Beverly as a mother-in-law for 26 years. In those years she has taught me about Loyalty(family sticks together), Strength(Just Keep Swimming) & Patience(I'm married to her son, this was important). But most of all she taught me about family. When my mother passed away 3 years ago, and I was at my lowest...Bev told me she would be my mom. She would be there for me always. I am forever grateful for her love and support. She was our ring leader in this family circus and I miss her so much.

“ Bev treated me and my family, as if we where her family. She would always tell me I'm family. Even has my goofy face on her fridge. She made the best spaghetti ever, for Sunday dinners. Its was funny when we'd play phase 10 and she watch me like a hawk to make sure I wasn't cheating. Even if she lost track of the scores. It was always fun. She will be greatly missed. My daughter and I will miss her very much. We love you.

“ My grandma was always there, no matter what. Every birthday, holiday, play, or big event. I will never forget how she always showed up (with flowers) and was always supportive and happy to be there. She was the best grandma ever. I love you Grammy, and I miss you so much ❤️
