“ I am so sorry. I just ran across Bev's obituary. We were friends at 4-H camp as well as I was friends with Orman and Norman. Beverly and I had just reconnected after so many years. I'm so sorry I'm just hearing of her passing now.

*My days at 4-H Camp in Whittaker Forest meant everything to me. I'm now 80 years old but have not forgotten Bev, Orman & Norman.*

*My cousins were the Underhill's from Delano.*

“ *My most Sincere and Deep Condolences to Beverly's Family and Friends. She was my First Grade Partner at Earlimart Elementary School and throughout our High School Years at DHS. We joked about our Spankings by Mr. Powell's Infamous Patel during our Jr. High Years. She was a super fast runner and later in years she would tell me "I should've gone out for track" No teasing her cause she would caught us. Will miss our long talks. Bev was a Super Lady and Super Friend. She told more than once " I had a Good Life" Yes You Did. Thanks for all Bev, Jesse.*

“ I loved Bev as family she was more my sister than just a friend. we stuck together thru thick and thin. she was so much fun. We were together almost every weekend. I remember she and I climbed that tall water tower down the road from my home, sat up there and sang songs at the top of our lungs. It was not bad climbing up but coming down was really scary. I won't tell all but we really had fun growing up (not like today) In later life we were together again playing bunko and eating out. we would squabble but always made up and said I love you. I shall miss her along with her many other friends also.
