“ Where do I even start? Brenda was for sure one of the sweetest, loving, most up front people I had ever met. Every Time I was around her she always gave me a tight hug and would always tell me I was a cute little thing and would ask if I was keeping Curtis in line. I would tell her I try and she would always tell him he better hang on to me tight cause I was a good girl. Every Time I see a cardinal bird, I think about aunt Brenda and how she loved them! Wish we could have spent more time with you aunt Brenda but I know you are no longer fighting and u are in heaven with your #1 baby Tommy!! May u RIP AND KNOW WE ALL LOVE U AND U ARE DEEPLY MISSED. LOVE U CURTIS & TINA

“ When she lived closer to me,our kids were small and she worked at a restaurant, my little girl was missing her front teeth and couldn't pronounce ice, so tells Brenda she would like some ass cream, Brenda and I laughed and laughed , Brenda then says well I might have some preparation h, in my purse. She had a great sense of humor. We will all miss her.RIP Brenda.

“ Oh were do I start, Brenda has been a part of my life since the first day I became friends with Tommy a long long time ago. I probably can't say enough about her for all you to realize how much she meant to me. I only wish I could have had the chance to see her one last time and tell her that I love her. She was my second mom and today a part of me went with her. After we lost Tommy it was hard and I hope I did my best to comfort her over the years. Now she's in a better place with Tommy beside her. But she will be missed and she'll always be in my heart. I could go on and on. She was an amazing, wonderful, beautiful, kind, loving, giving person. She was and is the best of us.... Rest in peace Brenda, I Love You always.
