“ *I looked you up as I recently moved back to Bakersfield and saw this :(You were like a brother to me and we did everything together growing up. I have so many great memories of us playing WCW on N64, all the birthday parties, us hanging out at your house and my house....*

I know you are at peace my friend but you will always be remembered as a bright light for many.

If anyone wants to reach out to me I'd appreciate it as I'd love to share some stories about Nick (913) 289-3690, chandelor@outlook.com

“ I still think of you every single day and many times in a day. You have never left me. I miss you so much. I can't wait to see you again, and days like today I go looking for all that I can of you. My heart aches and the tears come as i read over this tribute page once again. They say tears can be cleansing, and.... that God catches every single one. I love you precious boy.

“ *It is still so new & all we see is the empty space, but that is not how it is in the landscape of the heart. There, there is no empty space & he still laughs & grapples with ideas & plans & nods wisely with each of us in turn. We are proud to have known him. We are proud to have called him friend, brother, son, nephew, grandson and true love.*

He looked at her this way all the time. ALL the time. It was something I mentioned to Rita often was how much I loved the look in his eyes and expression on his face when he was looking at her. Missing him terribly.

“ You've strengthened my life forever Nick. My love for you created changes in my life and allowed me to rise above any wordy thinking. Your laughter, your smile, your heart of gold are the things that will keep you alive in my heart forever. I remember driving you and Rita to the movies for your first date. And I still chuckle about Rita's words shortly after "mom, I guess I'm his girlfriend cause he introduced me as his girl to his friends!" That confidence you had then has never left you. Heaven will surely be entertained by your humor. I love you and most important, I KNOW that you left this earth knowing just how much.
