“ *I talked to Carrie the day she passed. I was with a customer in Gainesville, FL that had stopped payment on a recently mailed check due to some fraud activity with an employee. I called Carrie to let her know what happened. We were on speaker, standing with customer in the nursery, and she sounded great. She and the customer said hello to each other, she said "no problem, just mail another check". She was great with customers, calling about receivables, and was the hardest working member of the Dinuba team. I've emailed her a couple of times over the years on a Saturday morning and she replied and/or called me. She was a tough gal, re-possessed cars for Nissan years ago, and had a great sense of humor. This is a great photo! We will miss her!!
Condolences to the family.*

“ *Where do I start*

Santa Clara house was so welcoming to a boy from Belgium. Carrie became a dear friend and came on-a sailing trip in the Caribbean with us and our kids.

Aunt Carrie as the kids called her.

I could tell you stories from our days in Santa Clara with Dede and Kathleen and Moya but there she was at our wedding in Bruges in 1986.

We lost contact over the years as our lives went separate ways but big bird was and always is dear to me.

Never will I forget sitting on a tractor at the Toomey farm and Carrie's brother telling me to pulled it up a hair.

I looked at Carrie and she just laughed.

I had no clue what it meant.

Memories live on .

My only regret is that we didn't spend more time together.

God bless,

Tony V aka Belgie
