“ *Dear Lety and family,  
It was with sorrow that I read of the passing of your father. It brought back memories of my interaction with your family while I was at Highland School. Those are such good memories.  
I am sure that your dad was a good provider for you all and that he will be missed. The good news is that he is with his heavenly Father now and in perfect peace. May God rest his soul and give you all comfort and peace.  
With deep condolences,  
Betty Johnson*
