GR

“ *My uncle was a caring man. Outstanding father and husband. He would call me and ask me how my daughter Shantel was doing when she was ill or after a surgery. He'd also ask me how my sisters or brother were doing.*

He seemed more like a brother than an uncle. He was very young.

He will be greatly missed by all of us who knew him.

Graciela - February 03, 2016 at 01:40 PM
