“ Carmen has so much love for her family. She would share stories about each one of you. She was so proud. I said well you did a great job raising your kids. She laughed, and said, "On the days I didn't think we would make it, God gave me the faith to know we would."

I 'm not super religious but I was given faith, and I know how to use it! We both laughed! She worried about each and everyone of you. Veronica is just like me, a hard worker and there are times she gets me so mad, because she has my hard head. She is my go, go girl... she never stops. Michael works so hard in a dangerous job wish he'd slow down. Rick works on cars, and I think one is going to fall on him if he's not careful. Anna hasn't called in a while, hope she's ok, she's probably working. Martha needs to take care of herself and quit worrying about Mikey now that he's an adult. So she taught you all how to be a family. So keep together and always remember how much of herself she gave to all of you. Carmen I have enjoyed our friendship over the years, the many family events, lunches and weddings. So glad to have had an amazingly strong women as my friend.

*Praying for you all,

“ My cousin Carmen was a hardworking and strong woman. She had a way about her that flowed with leadership and some compassion. Raising five children essentially on her own, they grew up to be successful individuals with their mother's work ethic. Yes, she was a good cook and always had her family ahead of her own interests. Will miss our talks and times of happiness. Prayers for the Torres and Hernandez family.

“ When mom lived with me in Virginia she loved riding down the rural roads on the lookout for snapping turtles, fawn, deer, cotton tail bunnies, raccoons, opossum, skunks, goats, donkeys, horses, cows and turkeys. One day we even got to see a young buck in our back yard and a bald eagle in the field. She made friends out here and loved the various trees and how friendly the people were out here. I will miss her but know she is at peace.
