

## Carol Sue Albaugh

November 7, 1949 - February 8, 2026

It is with heavy hearts, we announce the passing of our mother, grandmother and friend, Carol Sue Albaugh, 76, of Visalia, California. She passed away peacefully on February 8, 2026, and was surrounded by those she loved most.

Carol was born on November 7, 1949, in El Dorado, Kansas, to Howard and Dorothy McCaslin. She will be remembered for her kindness, strength and the deep love she had for her family and those closest to her.

During her high school years, Carol proudly served as captain of the cheer squad. She especially enjoyed spending time with friends at the drive-ins, where good conversation and a favorite limeade made some of her happiest memories. She later became part owner of Kaweah Crop Care and dedicated time helping with the family-owned business, Albaugh Ranch. She finished her career of 26 years at Sage Software as a Knowledge Content Specialist.

Outside of work, Carol had a passion for photography, and she loved trips to the beach. She had a deep interest in genealogy and found great joy in learning about her family's history and preserving those connections for future generations. She enjoyed time in the desert, specifically for Baja racing. She was also a NASCAR fan and rarely missed the excitement of a race.

Above all, Carol treasured her family. She is survived by her sons, Travis Albaugh and Curtis Albaugh; daughter-in-law Kelsey Albaugh; her beloved grandchildren Hannah, Brooke, and Brayden; great-grandson Dutton; and her close friend John. Her love for them was constant, and the memories they shared will be cherished forever.

She was preceded in death by her father Howard McCaslin, mother Dorothy McCaslin, brother Howard McCaslin Jr., and brother Bob McCaslin.

Carol will be remembered for her love, her kindness, and the way she cared for those around her. She will be deeply missed and forever loved and remembered by all who knew her.

In keeping with her wishes, no formal services will be held; her family will celebrate her life privately.

In lieu of flowers, contributions are encouraged in Carol's name to the Tunnel of Towers Foundation.

Services have been entrusted to Salser & Dillard Funeral Chapel. Memorial Tributes and condolences may be offered by logging onto [www.salseranddillard.com](http://www.salseranddillard.com).

“ So saddened to hear this news... my condolences to Carol's family, friends and colleagues. We worked together on the same team at Sage a few years ago, updating knowledge content. It was always fun to spark her interest with a Nicholas Cage meme. She will be dearly missed.

Her brother was in my class of 1965 and my sister and Carol were close in age. We had a great neighborhood with lots of kids!! It was a great time with many special memories. As kids we spent alot of time outside and doing fun things all together. Sending special condolences to Carol’s entire family!!! 🙏🙏🙏🙏🙏

“ So sorry to hear this news! Karol and I started kindergarten together going clear through high school together. Our mothers were co-Girl Scout leaders when we were in grade school. I don't know if she still had the scar on her arm, but if she did, it was from the flaming marshmallow that dropped from my stick on a Girl Scout camp out. I've always felt bad about that even though it was an accident. We all had a lot of fun being red peppers in the El Dorado pep club. Lots of fun memories through school and then every once in a while she would make it back for a reunion. She was always such a sweet kind girl who enjoyed life!
