

## Carol Ann Denny

October 1, 1944 - August 17, 2021

Carol Denny (Lombardi) was born on October 1, 1944 to Louie and Marie Lombardi Sr. She was one of five siblings, falling in between Mary Bunker, Joe Lombardi, Louie Lombardi and Patricia Arenz. Grandma Carol, also known as Nona, was a spitfire to say the least. A true woman of strength, who loved her family unconditionally. From her stories about her high school days, to her love for the holidays and trips to Pismo, she will most definitely be our missing link. Until we meet again Grandma, we love you.

Carol is preceded in death by both parents and sister Mary Bunker. She leaves behind her husband of 59 years, Gerald Denny, daughter Suzanne Davis, son Ronald Denny, 4 grandchildren Sarah Orozco, Cassie Holcomb, Chad Davis and Tucker Davis. Plus the light of her eye, 10 Great-Grandchildren. Services to be private.
